But to show how I love the world,
G A
I gave You away to claim them as My own.

CHORUS:

bring them show them My love
So bring them bring them to Me show them My love
Bm A
bring them show them My heart
So bring them bring them to Me show them my heart

You will bring peace and goodwill to men

I've made a star on this special day
G A
For this holy night to light the way.

(CHORUS 2X)
