

Learning to Love You

INTRO: C#m7 C#m7/A C#m7 C#m7/A

VERSE 1:

C#m7 C#m7/A
I wish I had half the nerve it takes to say the things that need to be said
C#m7 C#m7/A
Then I might have half of what it takes to indicate what's going round inside my head
C#m7
I could climb the highest mountain or walk across the deepest sea
C#m7/A
But it wouldn't bring you any closer to me
C#m7
I don't understand the reasons and I don't know where to start
C#m7/A
But I'm suddenly aware something's changing in my heart

CHORUS:

E C#m7 A C D
I'm learning to love you Jesus I'm learning to give you all of me
E C#m7 A C D
I'm learning to trade my sorrows I'm learning to trust in you completely

INTERLUDE: C#m7 C#m7/A C#m7 C#m7/A

VERSE 2:

C#m7 C#m7/A
If I had half a million plus eternity it would only be a compromise
C#m7 C#m7/A
Not a single cent or second could replace the warm embrace I find within your eyes
C#m7
I could wish away the future or try to wash away my pain
C#m7/A
But it wouldn't even start to make my heart beat again
C#m7
I want to climb up in your lap and leave my baggage on the floor
C#m7/A E
Yes I'm suddenly aware this is what I was created for
