Love of a Jealous Kind

VERSE:

Am7 Bm7 C
I built another temple to her stranger
Am7 Bm7 C
I gave away my heart to the rushing wind
Am7 Bm7 C
I set my course to run right into danger
Am7 Bm7 A
Sought the company of fools instead of friends

CHORUS:

C G
You know I've been unfaithful, with lovers in lines
D A
While You're turnin over tables, with the rage of a jealous kind
C
I chose the gallows to the aisle,
G
I thought that love would never find
D A
Hangin ropes will never keep You, and Your love of a jealous kind
Am7 Bm7 C
Love of a jealous kind

VERSE:

Am7 Bm7 C
Try to jump away from rock that keeps on spreading
Am7 Bm7 C
For solace in the shift of the sinking sand
Am7 Bm7 C
I'de rather feel the pain all too familiar
Am7 Bm7 A
Than be broken by a lover I don't understand

I don't understand

BRIDGE:

C G
One hundred other lovers, for one hundred other altars
C G
If I should slow my pace, and finally subject me to grace
C G
Love that shames the wise, betrays the heart's deceit and lies,
C A
Brakes the back of foolish pride
