INTRO: G Em C2 D2-D-Dsus-D-D2-D

VERSE 1:

I wake to the same old feelings each day  
And I can't find the words to pray  
To make all of this pain go away  
I've read if you're for me who can be against  
And on this I'll take my stand  
Surrendering to Your perfect plan

PRE-CHORUS 1:

Cause we believe that in all things  
we have been called and so we sing

CHORUS:

Neither death or life nor depth or height  
Neither good or evil or powers or peril  
Can separate Can separate  
Through the day through the night I will follow Your light  
In the starved times and hard times won't give up the fight  
I will worship you I will worship you

BRIDGE:

For we are more than conquerors  
Through your love
