INTRO: 8 count, then Am F C G5 Am F C Em

CAPO 6

## VERSE 1:

Am F C G5  
I was sure by now, God You would have reached down and wiped our tears away,  
Am F C G5  
stepped in and saved the day but once again, I say amen, and it's still raining

## PRE-CHORUS:

Dm F Am G5  
As the thunder rolls, I barely hear Your whisper through the rain, I'm with You.  
Dm F Am G5  
And as Your mercy falls, I'll raise my hands and praise the God who gives, and takes away

## CHORUS:

Am F C  
And I'll praise You in this storm, and I'll lift my hands  
G5 Am  
For You are who You are, no matter where I am  
F C  
Every tear I've cried, You hold in your hand,  
G5 Dm F  
You never left my side, and though my heart is torn,  
C Em  
I will praise You in this storm

## VERSE 2:

Am F C G5  
I remember when, I stumbled in the wind; You heard my cry to You and raised me up  
Am F C G5  
Again. My strength is almost gone, how can I carry on, if I can't find You..?

## (PRE-CHORUS, THEN CHORUS)

## BRIDGE:

Dm F C  
I lift my eyes unto the hills, where does my help come from..?  
G5  
My help come from the Lord, the Maker of heaven and earth.

I lift my eyes unto the hills, where does my help come from..?  
G5 Dm F C Em  
My help comes from the Lord, the Maker of heaven and earth.
